# RECRUITMENTS

## Staff and Trainers for Skill Development

Gramaudyogik Shikshan Mandal (GSM) a 50 years old trust, operates MIT Group of Academic and Research Institutes where more than 10,000 students pursue various engineering, technical and other academic programs from primary to PhD level.

We are looking forward to recruit talented individuals for the following positions for skill development programs offered at MIT.

All the trainers are required to possess minimum academic qualifications and experience as specified by Automotive Skills Development Council (ASDC).

ITI/Diploma/Degree holders in respective engineering trades with training/industry experience of 2 to 5 years may kindly apply. The above positions offer commensurate compensation and career progression opportunities.
