

The Institute of Chartered Accountants of India

(Set up by an Act of Parliament)

Advertisement No. 2026/03/HRD/03

The Institute of Chartered Accountants of India (ICAI) is a statutory body set up in 1949 by an Act of Parliament for regulation and development of the profession of Chartered Accountancy in India. Over the past 77 years, the journey of ICAI has culminated in its recognition as the world's largest professional accounting body, transcending the defined boundaries to meet the challenges and criticality of times by being more resilient, innovative and development centric.

ICAI invites applications for the following positions on a contractual basis, initially for a term of two (2) years, with the possibility of extension in deserving cases based on performance and organizational requirements.
